*Franz Kafka.
The drawings*

The Goethe-Institut Äthiopien and the Embassy of Switzerland invite you to the book presentation of *Franz Kafka. Die Zeichnung* | *Franz Kafka. The Drawings* by Andreas Kilcher on **Monday, 25. March 2024 at 6 pm.**

Apart from being an avid writer, Franz Kafka had a great passion for drawing. It was however not until 2019 that over one hundred of his drawings emerged, drawings that were kept under lock and key inside a bank safe in Zurich.

In his book *Franz Kafka. Die Zeichnung*, Andreas Kilcher, a literary and cultural scholar based in Zurich, has examined and published these newly published drawings alongside those previously discovered. During the evening programme on Monday, 25 March 2024, Andreas Kilcher will present his book and provide insight about the illustrations depicted by Franz Kafka.
