In partnership with:

1. Write the script for fairy tale:

- **The narrator will start with: *il était une fois* and talk about the initial situation.**
- **Write down dialogues between the characters.**
- **Think about who does what and what happens in your performance and write it down.**

2. Prepare the costumes :

- **Make sure that each character has a costume and can be recognised by the people who will watch your performance.**
- **Think about the objects that you have learned and the magical items that the characters can have.**

3. Rehearse your performance :

- **Make sure that everyone knows what they are doing and is ready to perform!**
