

Club Overview

Intended for

Key Stage 2 with little or no knowledge of German. Learners will need to be competent readers of English to access some of the tasks.

Aims

To introduce children to the German language through scientific and technical ideas, based around videos exploring real life questions.

Themes

There are **10 themes**, divided into **3 sessions per theme**. The optional third session in each theme involves the learners exploring the Kinderuni website independently and collecting awards.

Intended Length of a Club Session

30 minutes

Materials

The club materials have been produced to support non-specialist teachers and sixth formers to deliver the sessions.

- Video clips with transcripts
- Games
- Songs with texts in German and in English
- Key vocabulary and sound files
- Downloadable and printable resource sheets
- Practical activities
- Ideas for sharing outcomes with others
- Online challenges

In the handbook, the club leader will be supported with session outlines (with QR codes) and links to the online resources.
