1. Présentations

If you could be a fairy tale character what would your name be?
and which one would be? Use the French words that we have just
learned to introduce yourself as a fairy tale character.

2. Retrouver les mots

Associate the words with the images:

3. Mime or Draw

The following 3 pages contain character cards. Cut them into single characters. Put the cards in a box. Split the class into 2 groups. Have a student come up and pick a card. They can then choose to draw on the board or to mime what is on the card. Members of their group have to guess in French what is being mimed or drawn. If they guess correctly, they get 1 point. If they fail to guess, the other group gets a chance to steal their point. Each student goes once. The team with the most points wins.
