When the music starts, the two circles move in opposite directions. When the music stops, greet the new person you are facing, in German.</li> <li>• Playing the greetings song and the learners move around the space. When the music stops, shake hands with the people nearest you and greet them.</li> <li>• Same activity as above but use individual puppets from lesson 1#2 to greet each other instead.</li> <li>• Use a 'parachute'- each learner is given a greeting (Hallo, Guten Morgen, Guten Tag, Guten Abend) and holds the edge of the parachute. Leader calls out one of the greetings while the group lifts the parachute up (still holding the edges). As the parachute descends, slowly, the learners with the relevant greeting have to run underneath to a different space, chanting their greeting at the same time.</li> </ul>	<ul style="list-style-type: none"> <li>• (optional) lightweight item to pass around a circle</li> <li>• (optional) individual puppets (see lesson 1#2)</li> <li>• (optional) large parachute designed for group activities</li> </ul>	<p>Hallo- Hello</p> <p>Guten Morgen- Good morning.</p> <p>Guten Tag- Good day.</p> <p>Ich bin .....- My name is / I am..</p>
