Photo Release

Dear Parents/Guardians,

The Goethe-Institut is the official cultural institute of the Federal Republic of Germany. We promote the study of the German language abroad and foster international cultural exchange. We also provide up-to-date information on Germany's culture, society, and politics.

We kindly request your permission to use the photos of your child taken during his/her/their visit to Goethe-Institut Chicago.

The photos will be used for non-commercial and educational purposes only. They may be posted on the Goethe-Institut's website (www.goethe.de/chicago) and on our social media pages (Facebook: Goethe-Institut Chicago; Instagram: @goetheinstitut.chicago). We will only use the name of the school and will not link the photos to any personal profiles. Our goal is to show the activities and experiences of American students at various Goethe-Institut events.

We would greatly appreciate your support by signing the attached release form. Please feel free to contact me if you have any questions.

Kind regards,

Franziska Trepke
