Youth 4 German Cinema Program *Attention Young Movie Fans!*

The **Goethe-Institut's Step Into German** program and the **Berlin & Beyond Film Festival** are seeking students from across the **US, Canada, Mexico, Central America, and the Caribbean** (ages 14-18) to participate as jurors in the 12th **Youth 4 German Cinema** program. This offers the opportunity for young people with an interest in German arts and culture to come to San Francisco and be part of the 29th Berlin & Beyond in March 2025. Three to four applicants will be selected.

Before the Film Festival:

Participants will form the Youth 4 German Cinema jury. They will screen selected German films online (with English subtitles), engage in discussions, and choose the winning film to be shown at the festival.

As Part of the Film Festival Experience:

Participants will:

- Present the Youth 4 German Cinema Award and play an active role in an onstage Q&A with talents from the winning films.
- Walk the red carpet and go behind-the-scenes of North America's largest festival of contemporary German cinema.
- Attend an exclusive workshop by a film arts professional.
- Visit one of the world's most exciting cities: San Francisco!

Participation in this program will not only make a great addition on the students' resumes and college applications, it will also allow students to learn the fundamentals of film analysis, film production, and how to network and make connections for future endeavors.
