7) The Crocodile

CD track 14-15

The crocodile (the crocodile) lies around very still (lies around very still)

On the beach (that's not a bad idea)

The crocodile (the crocodile) lies around very still (lies around very still)

And doesn't care about a thing (that's not a bad idea)

1. The crocodile (the crocodile) can't help (can't help)

Having such enormous, gigantic big teeth,

A long jaw (a long jaw), okay, okay, (okay, okay)

But anyway, our crocodile is lazy (yes, it's lazy).

The crocodile (the crocodile) lies around very still (lies around very still)

On the beach (that's not a bad idea)

The crocodile (the crocodile) lies around very still (lies around very still)

And doesn't care about a thing (that's not a bad idea)

2. It's so hot (it's so hot), he is dripping with sweat (he is dripping with sweat),

The midday sun is burning down on his brain.

What he wants now (what he wants now), that crocodile (that crocodile),

Is a nice cool ice lolly (an ice lolly).

The crocodile (the crocodile) lies around very still (lies around very still)

On the beach (that's not a bad idea)

The crocodile (the crocodile) lies around very still (lies around very still)

And doesn't care about a thing (that's not a bad idea)

And the croco[coco]dile lies around very still (lies around very still)

On the beach (that's not a bad idea)

And the croco[coco]dile lies around very still (lies around very still)

And doesn't care about a thing (that's not a bad idea)
